NHK
ENJOY SIMPLE ENGLISH READERS
Japanese Ghost Stories from Lafcadio Hearn

Perfect for English Learners

TOP PRIZE
Adolescents & Adults Category

NHK Publishing's *Enjoy Simple English Readers: Japanese Ghost Stories from Lafcadio Hearn* (Published in October 2025) has won the top prize in the Adolescents & Adults category of the 2026 Language Learner Literature Award, an international award for extensive reading and listening materials selected by The Extensive Reading Foundation.

THE APPEAL OF THIS BOOK

- **The Legacy of Lafcadio Hearn, Made Accessible**

  Lafcadio Hearn introduced Japan's folklore to the world. This book offers international readers a unique opportunity to experience traditional Japanese culture, beliefs, and imagination through unforgettable stories.

- **Timeless Japanese Ghost Stories**

  Discover unforgettable tales such as Hoichi the Earless, Yuki-Onna, and Mujina, beloved classics that continue to captivate readers today.

- **Reading & Listening Material**

  An award-winning title from NHK's popular English-learning series, featuring level-controlled English and downloadable audio.

DISCOVER THE SERIES

The *Enjoy Simple English Readers* series is a book adaptation of NHK's English radio program, *Enjoy Simple English*, which helps learners develop the ability to understand English directly by reading and listening to large amounts of simple English. The series is popular as an accessible way to learn about folktales, stories, Japanese culture, social issues, and other topics in English. Including this title, the series has published a total of 28 titles to date. Audio downloads are also available, making it an ideal learning resource for English learners.
